

A message from Miss Trickett

We have had a wonderful week focussing on being Happy and Healthy.

If your child is in Year 3-Year 6, please ask them about The Secret Garden production we had in school yesterday, it was such a lovely show and we are ordering some Secret Garden books to be in each classroom so the children can read it for themselves now.

We're also very much looking forward to hearing about the Year 6 Houses of Parliament trip they are on today. What an incredible experience!

Wishing you a wonderful weekend.

Miss Trickett

SAFEGUARDING

Our school is part of Operation Encompass which is a national scheme that operates jointly between schools and police forces.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced domestic abuse and other issues that may impact upon their wellbeing.

As a school we have ensured that a member of our staff, (Mrs Addison) known as a Key Adult, has been trained in the Operation Encompass procedures allowing us to then use the information that has been shared, in confidence, to support the child/ren in our care. The Domestic Abuse Act 2021 identifies children who experience domestic abuse as victims of domestic abuse in their own right.

We are keen to offer the best support possible to all our pupils and we believe this relationship between school and the police will be extremely beneficial for all those involved.

For further information, please come and see us.

ATTENDANCE

It is so important right from the start of the school year for your child to maintain a good level of attendance. It is not only essential for your child's day to day learning but is also crucial in setting positive habits and mindsets for their future. Children are expected to have an attendance of at least 97%.

Please be aware that after 10 unauthorised sessions (a morning = 1 session, an afternoon = 1 session) in any 10-week period in line with our policy, fixed penalty notices will be issued.

Good attendance means being in school at least 97% of the time.

There are 175 non-school days for holidays, shopping and appointments — keep term time for learning.

97%+ gives the best chance of success. Below 93% seriously harms education and future opportunities.

Attendance Matters!

If you have any issues with your child's attendance, then please come and see Mrs Williams who will be able to support you.

We can't wait to welcome your child into school each morning and to celebrate their attendance.

The school gates close at 8:50am in order for the children to be registered by 8:55am ready to start learning at 9am.

Any children arriving at school past 8:50am will be directed to come through the office.

Gates are open from 8:40am - 8:50am giving a 10-minute window to drop them off on the playground and be greeted by their teaching staff.

Breakfast club is open from 8:00am - 8:40am and is **bookable on Parent Pay with at least 24 hours notice** for children in Pre-school - Y6.

Punctuality Matters

Punctuality really does make a difference. Every minute in class helps your child settle, learn, and start the day calmly. We know mornings don't always go to plan, life happens, but regular lateness can chip away at valuable learning time.

Please check your school's 'School Day' page for the exact start and finish times. The morning register is a legal record, and children arriving more than 30 minutes after the official start time will be marked as late.

Term-Time Leave & Closing Message

- Only granted in exceptional circumstances
- Requests must be in writing 4 weeks in advance
- Headteacher decision is final
- Leave will not be authorised during assessment periods or if attendance is already low
- Unauthorised leave may result in a Fixed Penalty Notice

Together, we make every day count

- Every morning your child attends, they're taking a step toward their future
- Let's give them every opportunity to shine!

Helping Every Child Thrive

Attendance Matters!

Why Attendance Matters

- Keeps your child on track with learning
- Builds confidence, independence, and social skills
- Helps children form positive lifelong habits

90% attendance = missing half a day every week!

Attendance	Consequence	Class	Next Step
90-95%	Warning	1-2	Class Meeting
85-90%	Warning	1-2	Class Meeting
80-85%	Warning	1-2	Class Meeting
75-80%	Warning	1-2	Class Meeting
Below 75%	Warning	1-2	Class Meeting

Your Role as Parents/Carers

- Make sure your child is on time, dressed, and ready to learn
- Talk about why school matters
- Praise good work and attend parents' meetings
- Let us know immediately if your child is unwell
- Provide medical evidence when required
- Book appointments outside school hours
- Avoid holidays during term time

Attendance is a legal responsibility under Section 444(1) of the Education Act 1996.

Understanding Absences

Authorised Absence

- Illness (with evidence if requested)
- Medical/dental appointments that cannot be outside school hours
- Religious observance
- Family bereavement (up to 2 days)
- Traveller families with plans to return

Unauthorised Absence

- Shopping, birthdays, day trips
- Staying home due to family members' illness
- Holidays not approved in advance
- Arriving too late to register
- Haircuts or uniform shopping

Persistent Absence

- Attendance below 93%
- Requires early intervention and joint support

Should I keep my child off school?

No

But make sure you let the school or nursery/preschool know about...

- cough/cold/sore throat/headache
- head lice
- threadworms
- hand, foot and mouth
- glandular fever
- tonsillitis
- slapped cheek

Yes

Until...

- chickenpox** - At least 5 days from the onset of the rash and until blisters have crusted over.
- diarrhoea** - 48 hours after their last episode.
- flu-like symptoms** - They no longer have a temperature above 38°C.
- impetigo** - sores have crusted over/ 48 hours after starting antibiotics.
- measles** - 5 days after the swelling started.
- mumps/ scabies** - They've had their first treatment.
- scarlet fever** - 24 hours after they started taking antibiotics.
- whooping cough** - 48 hours after they started taking antibiotics.

MENTAL HEALTH

“Lived Experiences heard: real voices, real change”

World Mental Health Day is a special day on **October 10th** every year when people all over the world talk about how to keep our minds and feelings healthy.

What is mental Health?

Your inner world – how you think, feel and act.

Like Physical health you need to take care of your mind like you do your body.

Everyone has mental health but you cannot always see it on the outside.

YOUNGMINDS

**Hello
Yellow**

Why do we celebrate Mental Health day?

To remind everyone that it is normal to feel happy, sad, worried or angry.

It teaches us that we do not have to hide our big feelings.

It is a big reminder to talk to a trusted person if something is on your mind.

How can you look after your mental health?

Talk to someone.

Do things you like and that make you feel happy and relaxed.

Be a good friend.

As part of the recognition we want to give to our mental health, we will be asking children to wear something yellow on **Friday 9th October**. This could be a T-shirt, pair of socks or a headband. School uniform and school shoes are expected unless your child has PE on a Friday.

Drop off and Parking

Please could we politely remind parents to consider very carefully where they are stopping and parking when dropping children off. There is limited spacing but please ensure that you are stopping safely and not blocking access to drives, or blocking the pavements for pedestrians to access and be able to see to cross safely.

Reading is great – let's celebrate

Please remember to keep listening to your child read as often as you can and send them in every day with their book and reading diary so that they can also be heard in school.

Don't forget that for every 35 home reads, your child will earn a book from our vending machine!

Let's read!

Snacks at breaktime

Please may we kindly remind parents to ensure that children only bring in a healthy snack for playtime, such as fruit, crackers or cheese.

LOST PROPERTY

**Please can we remind parents to put their child's name in all of their clothing. Without names, it is almost impossible for us to match up the right clothing with the right child.
Thank you for your understanding.**

Free School Meals

As part of a government initiative, a grant is provided to schools to provide school meals to all our Reception, Year 1 and Year 2 children at no cost to parents. This is called Universal Infant Free School Meals (UIFSM)

Parents claiming some benefits can claim free school meals for any of their school aged children who are registered at a Staffordshire school. For every pupil registered, not only does the child receive a free hot meal each day, but the school also receives extra funding.

This extra funding helps us reduce the cost of school trips, buy extra resources to use in school to enhance learning and helps us to provide other learning opportunities that we normally wouldn't be able to.

Please click on the link below and enter your details to see if you are eligible. You will need to know your national insurance number, email address and the name of any benefits you claim.

<https://www.staffordshire.gov.uk/Education/Educational-awards-benefits/FreeSchoolMeals/Apply-online.aspx>

If you receive a big green tick which tells you that you are eligible to receive free school meals, then please come and show the school office that confirmation.

This is for ALL school aged children.

Anyone that does pay for school meals the cost of these is **£2.70**

Early Birds and Silkworms

Early Birds Breakfast club is open from 8am every school day for children from Pre-School age. Children can come and enjoy a healthy bowl of cereal and start the day socialising with others.

Daily charge of **£4.00**

Silkworms runs every school day (prior notice will be given of any closures) 3:20pm – 5:15pm. Children are to be collected from the office door before 4:45pm or from the dining room door 4:45pm – 5:15pm. Silkworms phone number is displayed in the school office on the noticeboard. Please call this number on your arrival and a member of staff will bring your child down to you.

Cost: £5.00 for 1 hour, £9.00 for 2 hours.

Late Collection Fee £5.00 per child.

Our booking system for meals has now changed over. If you have not registered, please register on the link below,
<https://silkmores.cbfs.uk/>

Should you still have any questions about the service, or registration & booking process, please do not hesitate to get in touch with Childcare Bookings directly at <https://silkmores.cbfs.uk/> via email silkmores@cbfs.uk or call directly on 01444 523335. One of their customer service administrators will be happy to help.

Please respect that requests for bookings on the same day might be denied. Due to having to arrange appropriate staffing levels to accommodate children that are booked, if you have paid for a 2h session and collect your child earlier, a refund will not be issued.

Please note, that due to staffing we are only able to accept children from pre-school upwards in our childcare provision.

Stay Well Service

Staffordshire Emotional Health and Wellbeing service

What is Stay Well?

Jointly commissioned by Staffordshire County Council and Staffordshire and Stoke on Trent Integrated Care Board, Stay Well is a Children and Young People's Mental Health Service (CYPMHS) provided by Changes Health and Wellbeing, North Staffs Mind and The Dove Service.

Offering a successful blend of both group and one-to-one support. Stay Well provide rapid contact, assessment, and aim to follow this by access to support within just 20 working days.

Here are some exciting updates about our service:

- **Early Intervention Modules:** We have launched our new Early Intervention modules, designed to provide more personalised support. Following triage, CYP and their family network will receive a module tailored to their individual needs and goals, providing relevant advice and strategies while they wait for their sessions to commence. The modules will also provide information about what to expect from Stay Well, helping CYP feel more prepared and confident about accessing support.
- **Social Media and Young People's Voice:** Our social media platforms continue to thrive and are packed with self-help resources, guided skills videos, introductions to our team and venues, and information about what to expect from our service. We are now looking to place a greater focus on the voice of our young people, sharing their experiences, advice and what they have found helpful when accessing Stay Well.
- **Our Group Offer:** We continue to expand our group offer across Staffordshire for CYP aged 5-16, including our Wellbeing and Dealing with Difficult Emotions programmes. We are currently trialling separate 11-13 and 14-16 groups, rather than our usual 11-16 age range, enabling us to tailor sessions more closely to different ages and stages.
